

Gallia County Planning Commission Minutes

March 6, 2006

The Gallia County Planning Commission met on Monday, March 6, 2006 with the following members in attendance: Bob Condee, Terry Hemby, Tom Meadows, Lester Plymale, Paul Shoemaker, Glenn Smith, and County Commissioner David Smith.

Chairman Paul Shoemaker brought the meeting to order and established a quorum. Bob Condee moved to approve the minutes as submitted, seconded by Glenn Smith and all members in favor.

Business discussed:

There were no requests to meet with the Planning Commission this month however, the Chairman did entertain a motion to proceed with the completed Draft Subdivision Regulations. With no further comments or suggestions, Bob Condee moved to accept the Draft as submitted, Lester Plymale second the motion and all members were in agreement. The draft will be sent to the Prosecutor for review and once approved; it will go before the County Commissioners for acceptance and out to Public Hearings.

The members were also informed that the Access Management Advisory Committee recently met and approved the draft regulations with minor changes. They too are being sent to the prosecutor for review. Both regulations will be submitted together and hopefully we can schedule both public hearings at the same time. The AM Regulations will be an annex to the Subdivision Regulations once adopted.

With no further business to discuss the meeting was adjourned at 4:45pm.
